Introduction

Role of the Commission

The primary function of the Saskatchewan Police Commission as outlined in section 9 of The Police Act, chapter P-15, R.S.S. 1978 is to promote the preservation of peace and the prevention of crime, efficiency of police services and to improve police relationships with the communities in the province. Section 10 authorizes the Commission to make regulations on various matters that will upgrade police services generally through training and standardization. The Commission is also empowered by the Act to inquire into any matter relating to standard of policing and to inquire into the conduct of or the performance of duty by a member of a Municipal Police Force or a member of the Royal Canadian Mounted Police, and finally the Act empowers the Commission to hear and determine appeals against disciplinary penalties or dismissals imposed or ordered by Chiefs of Police, Boards of Police Commissioners and Councils.

Activities of the Commission

Meetings

The Commission held five regular meetings during the year to conduct the day-today affairs. A Training Committee meeting was held in conjunction with a recruit class graduation on December 21, 1985. A special training committee meeting was held to do an in-depth review of training needs, operating within the budget limits, and future planning.

On October 30, 1985, the Commission staff, and College Director met with the Saskatchewan Federation of Police Officers and representatives of some of the police associations. Such meetings have been found to be productive, to deal with issues and to exchange ideas and information of mutual concern.

On October 31, 1981 the Commission arranged a meeting with the Minister of Justice, the Deputy Minister, Boards of Police Commissioners, Chiefs of Police, Department officials, and senior Royal Canadian Mounted Police officers. This type of meeting, has been held for a number of years and has been found to be a very useful form to deal with problems in law enforcement as well as with other general police related issues.

On June 11, 1985, Vice-Chairman Goldstein chaired a meeting of Commission staff, Chiefs and some Chairmen of Boards of Police Commissioners of small towns, Department of Justice officials and Royal Canadian Mounted Police representatives at Watson, Saskatchewan. The purpose of the meeting was to deal with town-related policing issues.

The luncheon was chaired by Donald K. MacPherson, Q.C., chairman of the Saskatchewan Police Commission.

The Honourable Perrin Beatty, Solicitor General of Canada presented federal awards to:

Herbert New Horizons Group — Herbert, Saskatchewan
Robert W. J. McGuire — Saskatoon, Saskatchewan
North Central Community Society — Regina, Saskatchewan

Minister Beatty and recipients

The Honourable Mr. Lane presented provincial awards to:

Herbert New Horizons Group — Herbert, Saskatchewan
Swift Current Kinsmen — Swift Current, Saskatchewan
Weyburn and Area "Masons" — Weyburn, Saskatchewan
Robert W. J. McGuire — Saskatoon, Saskatchewan

Mr. Lane and group of recipients

North Central Community Society — Regina, Saskatchewan
Mrs. Candace Ambrosia — Regina, Saskatchewan
Downtowners Optimist Club — Regina, Saskatchewan
Marlene Panko, Teacher — Saskatoon, Saskatchewan

Crime Stoppers Programs

The Cities of Regina, Moose Jaw and Prince Albert have Crime Stoppers Programs in operation. The police in these cities support these programs, and while not directly involved in the administration, and are satisfied that they are of considerable benefit as an investigative aid in identifying perpetrators of crime.

Seminar — Crime-Fraud-Abuse: The Elder Victim

The crime prevention officers of the Regina Police Service, the Royal Canadian Mounted Police, and the Executive Director worked with other agencies in organizing a seminar to raise the awareness of:

(a) the types of crime, fraud and abuse that victimizes seniors;
(b) how seniors are affected by being the victim;
(c) what can be done to avoid being victimized; and
(d) services available to victim.

The seminar generated a lot of interest — it was administered by the Saskatchewan Gerontology Association, and was funded by that Association, Saskatchewan Justice and the Solicitor General of Canada.

Public Complaints

The following complaints were received in 1985 by the Commission office. The complaints were against Municipal Police officers and members of the Royal Canadian Mounted Police (RCMP):

Municipal Police	RCMP
1984-31	1984-5
1985-32	1985-3

The Commission Investigator, Mr. Ted Andrew, investigated the 32 complaints against Municipal personnel, and the disposition of these complaints is as follows:

Substantiated	10
Unsubstantiated	7
Unfounded	11
Abandoned	4
Resolved Informally	0

Ombudsman's Review of Complaints

The Ombudsman reviewed one of the complaints investigated by the Commission Investigator during 1985 and concurred with the Commission findings.

Canadian Association of Chiefs of Police

The Executive Director attended the 80th Annual Conference held at St. John, New Brunswick during August 25th to 30th, 1985, and participated as a committee member and associate member. The 81st Canadian Association of Chiefs of Police Conference will be held in Winnipeg, Manitoba in August, 1986.

National Operational Research Committee

Chief Joe Penkala of Saskatoon Police Department, and the Executive Director are the Saskatchewan representatives on this joint committee of resource people from the Canadian Association of Chiefs of Police and the National Research Council. The Executive Director attended meetings of this committee on April 11th and August 25th, 1985. It is an excellent forum to address the problems and needs of the police community, and to ensure that Saskatchewan has a voice in any research and other undertaking.

Canadian Police College

The Executive Director is the Saskatchewan representative on the College Advisory Committee and attended one meeting on April 10th, 1986. The Commission assists with the allocation of College space to police departments and co-ordinates requests for attendance at the national College. During 1985 candidates attended Canadian Police College courses as follows:

Police Force	No. of Candidates
Regina	38
Saskatoon	27
Moose Jaw	11
Prince Albert	6
Estevan	4
Weyburn	3

Tenth Annual Symposium of Provincial Police Commissions

The 1985 symposium was hosted by the New Brunswick Police Commission, under chairman Jack Hunter. It was held at St. Andrew, New Brunswick during September 23rd to 26th, 1985 and was attended by the Chairman, Commissioners and the Executive Director.

The 1986 symposium will be in Victoria, British Columbia during September 23rd to 26th.

Legislative Review

It is over ten years since The Police Act was passed. There have been amendments since that time and a number of Regulations followed. A number of proposed amendments have been put forward therefore a complete review of the Act and Regulations is underway. Major changes are not anticipated, but clarifying and updating will likely be the result.

Appeals and Public Inquiries

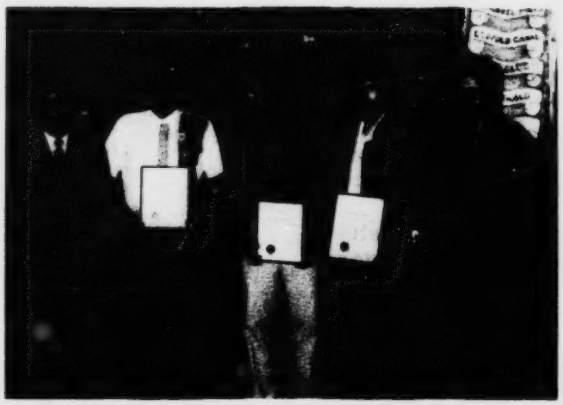
Three Notices of Appeal were served during the year. One appeal was abandoned when the department and the member settled the issue internally. Another is scheduled for hearing "de novo" in June 1986. The third matter is before the Court of Appeal and the Commission is awaiting the decision of the court before finalizing plans to proceed.

Commendations by the Saskatchewan Police Commission

In 1982 the Commission initiated a Certificate of Commendation, which was approved by the Minister of Justice. The certificate may be awarded to a police officer who has made a significant contribution to law enforcement, or to recognized civilians who have rendered a significant service to the police.

The following Certificates of Commendation were awarded by the Commission during the year:

(1) On June 21st, 1985 at Leask, Saskatchewan Vice-Chairman Samuel Goldstein, Q.C., presented Gregory William Joseph Boyle, William George Nutter and Derril John Henry Rogerson all of Leask, Saskatchewan with Commendation Certificates. This was a result of the actions of these three men in apprehending four culprits who broke into the Lucky Dollar Store at Leask, Saskatchewan during the early morning hours of October 30th, 1984.



(2) On December 20th, 1985 at Regina, Saskatchewan Chairman Donald K. MacPherson, Q.C., presented Richard Jensen of Regina, John Sidloski of Weyburn, Dwayne Grieve of Regina and Darwin Williamson of Regina with Commendation Certificates. During the period between December 18th, 1984 and January 16th, 1985 these four men aided victims of "purse snatching" in four separate incidents in Regina and either arrested the culprit, or assisted the police with the arrest.

Police Training

The Saskatchewan Police College, under the direction of Selmer B. Johnson, Director, has the mandate and responsibility for the training of all Municipal Police Officers in the Province.

The objective of the Saskatchewan Police College is to provide training for all levels of police personnel, from recruit to senior management to ensure that all Municipal Police Officers in the province have the depth of understanding, proper attitude and the skills necessary to perform their duties in the most effective and efficient manner possible.

Located at the University of Regina, the Saskatchewan Police College provides an excellent opportunity for police personnel to mix freely with other students and faculty which should have a very beneficial long-term effect.

Courses are offered regularly on a semi-annual basis for Recruits, Junior Constables, Senior Constables, Effective Presentations and Introduction to Management, and on an annual basis for Arson Investigation. Other courses and seminars are also provided as required, however, with budgetary restrictions, the number of courses provided has not kept pace with the demand for training. This year, however, seminars and other courses included four Drug Investigation Courses, and three Baton Training Courses. Street Survival Courses scheduled to be held in Dundurn and Regina were cancelled because of the unavailability of instructors.

This year some of the training was decentralized with courses being provided in Saskatoon, as well as at the Police College in Regina, and Baton Training in Moose Jaw.

Inter-active Video Training has also been resumed. A total of five tapes have been developed for use in-house only in conjunction with the Recruit Training Program. A short "Did You Know" series of films has been commenced for use by the police departments in Roll Call Training. The "Did You Know" series is primarily designed to update members with regard to minor amendments to the law, changes in procedures, and/or Case Law. Eleven inter-active films were also developed utilizing tapes purchased from Edmonton. Also, two tapes dealing with the changes in Drinking and Driving Legislation were developed. Three films dealing with the Young Offenders Act are in various stages of production. Our goal is to produce nine inter-active video tapes in the forthcoming year, which will be circulated to the various departments.

Restraint and Budget Restrictions

The Commission and the College are mindful of the need for and of course support good financial management, however funding to the College has had the following effect: it does not provide for two recruit classes per year; the production of training films is severely restricted; research and update of course content lags; and certain important seminars and training courses must be put on hold.

The Commission, the Director and staff of the Saskatchewan Police College wish to thank those individuals, agencies and departments who participated and assisted with the training programs throughout the year.
